EDUCATION

BE in Computer Engineering

Kantipur Engineering College, TU /
Lalitpur / April, 2021 - Present

+2 Science

SOS Hermann Gmeiner Higher
Secondary School Sanathimi /
Bhaktapur / July, 2018 - April, 2020
GPA: 3.33

SEE

SOS Hermann Gmeiner Higher
Secondary School Surkhet /
Birendranagar / January, 2006 - July,
2018
GPA: 3.6

SKILLS

- Software Development - Skillful
- IoT (Internet of Things) - Skillful
- Artificial Intelligence (AI) &
Machine Learning (ML) - Skillful

Gaurav Giri

Self-motivated and hardworking computer engineering student with 3+ years of experience in programming and intermediate skills in AI/ML, data science, software-development, Linux system and cybersecurity. Have been doing competitive programming and recently working with GSM module to integrate home security alert system. Seeking to leverage first-hand experience with driverless car technology and integrated systems.

ACHIEVEMENTS

Deputy School Captain

Been School Vice-Captain for a year. Organized & conducted various programs and maintained discipline over the school.

Organized IT & Science Exhibition

Successfully organized IT Exhibition in school as being club president and executive member of science club in 2017 annual day in school demonstrating telecommunication system , computer networks and made a hot air blower embodied with regulator.

Inter-School Code Competition

Won Inter-school code competition in 2018 conducted by Crystal Institute of Technology, Surkhet.

EXPERIENCE

Python Developer

Anmup Online / Kathmandu / May, 2020 - Present

- * Developed bank verification system for verifying user's bank details.
- * Developed employee monitoring system.
- * Developed ID card image verification using CNN.
- * Web Scraped various data and information from government and news portals.

PROJECTS

Chat Application

A server-client chat application using multi-threading and sockets from Windows and Linux APIs in C programming language as my first semester project.

<https://github.com/gaurovgiri/chatchamber>

Steganography

An image cryptography that encrypts data to the least significant bit of the image array.

<https://github.com/gaurovgiri/steganography-lsb>

Face Tracking System

- Cybersecurity - Skillful
- Python, C, C++ - Experienced
- Operating System: Windows, Linux - Experienced
